Contest Gift Certificates

We will be having a different contest open to all of our guests in each department. An example of the contests might be guessing how many buttons are in the jar, etc. At this time, we are seeking gift certificates to be given to the contest winners. The number of tickets and signage will depend on the amount of the gift certificate. For example, a \$100.00 gift certificate would receive 2 season tickets and a \$25.00 gift certificate would receive 2 single-day tickets, etc.
